

ELECTION NOTICE.

Notice is hereby given that on the second day in October next, at the house of _____ in the county of Boise, an election will be held for Territorial, County, District and Precinct officers, to-wit: One delegate to Congress, Territorial Auditor, Territorial Treasurer, and Superintendent of Public Schools, one Councilman, five Assemblymen, Probate Judge, Sheriff, County Recorder, County Clerk, Treasurer, Assessor, Superintendent Common Schools, three County Commissioners and two Justices of the Peace and two Constables for each precinct; and such other members of the Legislature as the apportionment and Governor's proclamation may show that Boise county is authorized to elect. Which election will be opened at eight o'clock in the morning and will continue until six o'clock in the afternoon of the same day.

Dated this 27th day of September, A. D., 1864.
W. R. UNDERWOOD,
Clerk Board Co. Commissioners.

A CARD

To the Citizens of Boise County:

I understand there is a rumor afloat to the effect that I am connected with S. Pinkham in running for the office of Sheriff, and that on the day of Election I am to withdraw in his favor; therefore, in order to remove such impressions from the minds of the people, I tell them that I know of no such arrangement—for I can neither be bought nor sold, and my friends can, with such assurance from me, contradict all such reports.

BOB BAILEY.

WITHDRAWAL.

Having been placed upon the Alturas Co. Union Ticket for Assembly, without solicitation on my part, I feel under many obligations for the honor intended, but as politics is out of my legitimate line of business, and there being but one Assemblyman to elect, I beg leave most respectfully to withdraw my name.

GRANT TELFORD.

INFORMATION WANTED.—Of Ansel Langdon by his brother, A. G. Langdon, Bartee Hill, near Pioneer City, Boise county, I. T. Reports are in circulation that Ansel Langdon has been killed by Indians, near Canon City, but his brother hopes that such is not the case, and is very anxious about the matter. If Ansel Langdon is still alive and this should meet his eye he can readily reach me, either by letter or in person by inquiring for "Wm. Bartee"—or "Old Red"—who is my partner and is well known throughout the country. Idaho, Washington and Oregon papers will do his friends a favor by mentioning the above.

A. G. LANGDON.

TERMINAL SUICIDE IN LEWISTON.—About 11 o'clock on Thursday forenoon, this entire community was startled by the announcement that L. C. Fitch, a hard-worked merchant in this city, had committed suicide by shooting himself with a revolver. For some time deceased had been rather low spirited, and was observed at times to be rather eccentric in his conduct, frequently remarking to his friends that he "would rather be dead than undergo another spell of sickness," and other remarks of a similar nature, which, at the time, created no suspicion, but now seem to show premeditation on his part. On the day previous he was noticed by several of our citizens to be more sociable and jovial than usual, although on the morning of the occurrence he was complaining a little and told Mr. Thompson, his clerk, to "never mind him, but lock up the store and go to breakfast." He did so, and returned, attending to the business of the firm as usual, until about 11 o'clock, at which time he concluded to awaken Mr. Fitch. On entering his room he was horrified to find him dead, and immediately gave the alarm. Justice Chambers immediately summoned a jury and held an inquest, who returned the following—

Verdict.—That he came to his death from a pistol-ball, discharged from a pistol held in his right hand; the ball entering the right side of his head, near the ear, and passing through, came out on the left side of the head above the temple. Deceased was evidently in a sitting posture at the time the pistol was discharged. It occurred about 7 o'clock, A. M., this 23d day of September, A. D. 1864. Cause unknown.

The most complete mystery surrounds the entire affair. Enjoying the most perfect confidence and respect of the entire community, apparently in the midst of a lucrative and unencumbered business, deceased is here seen of perfectly sane mind, leaves not even room for conjecture as to the cause of the rash act. He was a native of Buffalo, N. Y., and late of San Francisco, California, aged about 54 years. He was followed to his grave on Friday, at 3 P. M., by a large procession of citizens. A community mourns his loss.

[Golden Age, Sept. 24th.]

A private letter from Lewiston gives love as the cause of the suicide.

The annexed items are taken from Friday's issue of the "Crain":

The Court, members of the bar, Grand Jury, and sundry other gentlemen, held a little jollification last Tuesday evening over the birthday of George C. Hough, Esq., our present efficient District Attorney. May he live to see as many more birth-days hereafter as heretofore.

GREENBACK DECISION.—The Supreme Court of California has decided that a promissory note calling for gold coin, drawn before the specific contract Act was passed, cannot be paid in greenbacks. Paper is not a legal tender for a note payable in coin. The contract must be enforced as it reads.

H. F. Crain has been appointed Probate Judge of Boise county in place of McKinley, resigned. David Markham and J. H. Vanpelt are appointed County Commissioners in place of Frank Moore and H. J. Crow.

FROM KOOTENAI.—The Lewiston Age, of Sept. 21st, says the express from Kootenai had arrived, ten days from the mines. It brings no new accounts of discoveries except on the Columbia, where the miners are said to find fair pay. Reynolds & Co. took \$8666. An express is running to and from mines.
